

Wednesday open session 4pm – 6pm

The handbook states that an open session (turn up and bowl) is available on Wednesday between 4 pm & 6 pm. This session is not currently available as no duty officer has been found to cover this period. Until someone comes forward to cover this duty session, no bowls will be available.

2018-2019 Season

It will soon be the start of our new winter season. I have added all the fixtures to the website, see the menu “Fixtures”. I have also added all the registered sessions to the club calendar, these can also be viewed using the menu option “Whats on/events”.

This season the league rules have been amended, it is advised that you read them before the season starts.
