- 1e Firing is a legitimate shot in bowls but it can be dangerous. If a player intends to play a firing shot he/she should warn members of his/her team and the opposing team. - 5d Any team causing a "dead end", will have the jack re-spotted on the 2 metre tee, or if the tee is occupied, on the rink centre line as close to the tee as possible between the tee (in direction of play) and the ditch.
- 5e All matches to start within 10 minutes after the hour without any penalty being incurred. A match starting 10-15 minutes after the hour will cause the offending team to loose 4 shots. If more than 15 minutes have elapsed the game is to be rearranged. Should a player be delayed en route, and with the agreement of the opposing skip, the start may be delayed further.
- 5f Should only 3 players of a rink team be present, then the numbers 1 & 2 will play 3 woods each, and the team forfeit 25% of the total score. - 5g In the event of a match being stopped for any unforeseen reason and 8 or more ends have been played then the result will stand. If 8 ends have not been played then the match will be rearranged as if it were a cancelled game (see rule 6a) and no additional rink fees will be payable.
- 5h If a player must leave the rink in the course of the game due to illness or other reasonable cause, and they cannot return within 10 minutes a substitute may be introduced provided both skips deem it necessary. The substitute may play in any position other than skip, and other team members may rearrange positions as necessary.
- 5i Other than in exceptional circumstances all games should be played on the day, and at the time and on the rink specified.
- 5j Breaking of league playing rules could mean the loss of points or other sanctions at the discretion of the committee.

6 Cancellation and Rearrangement of games.

- 6a A game is formally cancelled by completing the appropriate notification slip and depositing it in the specially provided box (adjacent to the league tables board) prior to the event. A further notification slip to be put in the box when the rearranged date is confirmed. The skip/team responsible for the proposed change is responsible for completing the slip and obtaining opponents prior agreement. Confirmation of cancelled/replay dates will be displayed on the league tables notice board. - Skip/Team contacts in handbook.
- 6b Rearranged games to be played as soon as practicable.
- 6c Any team not fulfilling a fixture due to insufficient players attending will have a 4 shot penalty applied at the start of the rearranged game.
- 6d Any team not arriving on the day and time of their match will default the game and be liable for ALL rink fees. Opponents of a defaulting team will be awarded 2 points and a 7-0 shots win provided a score card is submitted to that effect.
- 6e Should a defaulting team fail to pay any outstanding rink fees, or default on a second occasion in a season, their league status will be reviewed by committee. A defaulting team may lose their league place.
- 6f Any team cancelling 3 or more fixtures will be subject to review by the committee. If a satisfactory explanation can be provided then no action will be taken. If the explanation is considered unsatisfactory then the offending team could be subject to sanction.

7 DISPUTES and DISCIPLINE.

- 7a All league match complaints or disputes must be reported to the Secretary in writing within 7 days of the relevant match. Once the score card has been signed by both skips then, at the discretion of the committee, the signed for result will stand.
