CLUB PLAYING RULES

1. RESPONSIBILITIES for ALL PLAYERS.

- 1a Every player must be a paid up, registered member of Swindon Manor Indoor Bowls Club and must agree to abide by these rules.
- 1b All renewal subscriptions should be paid in advance (for the subsequent season) by the 1st April.
- 1c A player can only play for one league team in each section and cannot transfer to another team in the same section during the current season.
- 1d All players, whether playing in league or casual games must conduct themselves in a manner that does not cause concern, upset or interference with other players or spectators. Any occurrence of this nature will be reviewed in committee.
- 1e Firing is a legitimate shot in bowls but it can be dangerous. If a player intends to play a firing shot he/she should warn members of his/her team and the opposing team. He/she should also warn players on adjacent rinks and nearby spectators. Failure to do so resulting in injury, will be reviewed by committee.

2. ADDITIONAL RESPONSIBILITIES for LEAGUE SKIPS.

- 2a Skips will collect the rink fees and place the money in the wallet provided for their team and take it to the Duty Officers desk **5 minutes** before commencement of play.
- 2b Skips must not remain at, or visit the head, after the threes have bowled.
- 2c Only the Skips are to be at the head until it is their turn to bowl.
- 2d The home skip is responsible for correctly filling in the scorecard, ensuring that it is signed by both skips at the end of the game, and placed in the scorecard box on the day the game is played.
- 2e The full name of team members must be included on the card before it is signed by the skips. If a team fails to record the names on the scorecard then that team will be advised and, if this occurs on any subsequent occasion, then 1 point will be deducted.

- 2f EACH team taking part in the league must send at least one representative to the AGM, this member can also represent more than one team if playing in other leagues. This will allow your team to participate the following season without penalty. Failing to do this will result in a 2 points deduction from each team not represented at the AGM.

3 LEAGUE TEAM COMPOSITION AND SCORING.

- 3a SINGLE RINK LEAGUE Two points for a win, one to each team for a draw. Teams must register a minimum of 5 players.
- 3b TRIPLES LEAGUE Two points for a win, one to each team for a draw. Teams must register a minimum of 4 players.
- 3c MIXED RINK LEAGUE Two points for a win, one to each team for a draw. Teams must register a minimum of 2 men and 3 ladies, but a team may play any combination provided it's mixed.
- 3d TRIPLES OPEN LEAGUE Two points for a win, one to each team for a draw. Teams must register a minimum of 4 players, and may play teams of all men, all women or any mixed combination.

4 DRESS CODE.

- 4a In league and representative matches:- Ladies must wear grey skirts or trousers and white tops or SMIBC tops and if required plain green waistcoats. Tights are optional.
Men must wear grey trousers, white tops or SMIBC tops, and if required white pullover or cardigan. Footwear for LADIES and MEN to be approved bowling shoes. Failure to conform in either case will result in suspension after due warning
- 4b In league & representative matches wearing any white top with another clubs badge is prohibited. Only the SMIBC Club badge is to appear on tops. Small detail piping on white tops, a members name & a small shirt manufacturer's logo is allowed. Coloured panels are prohibited.
- 4c In casual games players must wear approved bowling shoes or flat-bottomed shoes with additional elasticated shoe covers. Covers are available at SMIBC. Bowling without wearing shoes is not allowed.

5 PLAYING RULES.

- 5a Games are to consist of 18 ends for Rinks, 16 ends for Triples or 2 hours maximum and are to finish on the end in play when the bell rings. The end shall be deemed to have started when the jack has been rolled and centred. NO trial ends allowed.
- 5b The front of the mat is to be placed at least 2 metres from the rear ditch and at least 25 metres from the front ditch and the jack is to be rolled and centred.
- 5c If the delivered jack does not travel 23 metres, goes into the ditch or out of bounds of the rink, then the jack is to be placed by the opposing skip. The mat may be moved at the discretion of the opposing skip.
- 5d Any team causing a "dead end", will have the jack re-spotted on the 2 metre tee, or if the tee is occupied, on the rink centre line as close to the tee as possible between the tee (in direction of play) and the ditch.
- 5e All matches to start within 10 minutes after the hour without any penalty being incurred. A match starting 10-15 minutes after the hour will cause the offending team to lose 4 shots. If more than 15 minutes have elapsed the game is to be rearranged. Should a player be delayed en route, and with the agreement of the opposing skip, the start may be delayed further.
- 5f In rinks should only 3 players be present, then the numbers 1 & 2 will play 3 woods each. In triples should only 2 players be present then both players will play 4 woods each. The toss will take place and the winners will cast and centre the jack. The team with 3 players will bowl first. On subsequent ends the winners of the previous end will cast and centre the jack but the team with 3 players will always bowl first.
- In rinks and triples the offending team will forfeit 25% of their total score. On a second occasion 25% of the score will be forfeited and 1 point will be deducted and NO points awarded.
- 5g In the event of a match being stopped for any unforeseen reason and 8 or more ends have been played then the result will stand. If 8 ends have not been played then the match will be rearranged as if it were a cancelled game (see rule 6a) and no additional rink fees will be payable.

- 5h If a player must leave the rink in the course of the game due to illness or other reasonable cause, and they cannot return within 10 minutes a substitute may be introduced provided both skips deem it necessary. The substitute may play in any position other than skip, and other team members may rearrange positions as necessary.
- 5i Other than in exceptional circumstances all games should be played on the day, and at the time and on the rink specified.
- 5j Breaking of league playing rules could mean the loss of points or other sanctions at the discretion of the committee.

6 CANCELLATION and Rearrangement of games.

- 6a A game is formally cancelled by completing the appropriate notification slip and depositing it in the specially provided box (adjacent to the league tables board) prior to the event. A further notification slip to be put in the box when the rearranged date is confirmed. The skip/team responsible for the proposed change is responsible for completing the slip and obtaining opponents prior agreement. Confirmation of cancelled/replay dates will be displayed on the league tables notice board. - Skip/Team contacts in handbook.
- 6b Rearranged games to be played as soon as practicable.
- 6c Any team not fulfilling a fixture due to insufficient players attending will have a 4 shot penalty applied at the start of the rearranged game.
- 6d Any team not arriving on the day and time of their match will default the game and be liable for ALL rink fees. Opponents of a defaulting team will be awarded 2 points and a 7-0 shots win provided a score card is submitted to that effect.
- 6e Should a defaulting team fail to pay any outstanding rink fees, or default on a second occasion in a season, their league status will be reviewed by committee.
A defaulting team may lose their league place.
- 6f Any team cancelling 3 or more fixtures will be subject to review by the committee. If a satisfactory explanation can be provided then no action will be taken. If the explanation is considered unsatisfactory then the offending team could be subject to sanction.

7 DISPUTES and DISCIPLINE.

- 7a All league match complaints or disputes must be reported to the Secretary in writing within 7 days of the relevant match. Once the score card has been signed by both skips then, at the discretion of the committee, the signed for result will stand.
- 7b Any other complaint or dispute referred to the committee, either verbal or written will be given due consideration. A verbal report will be given a verbal response and a written report will be given a written response.
- 7c Matters relating to complaints, disputes and discipline will be dealt with by application EIBA discipline procedure. A copy of this document will be posted on the SMIBC notice board at the start of the season.
- 7d For interpretation of, or any issue not covered by, the existing club rules, enquiries should be addressed in writing to the club secretary. After consideration by the committee the decision made will be final subject to any appropriate appeal.

CASUAL INDOOR BOWLING

Summer bowls is held on Tuesday and Thursday mornings and has been well supported with an average of 28 to 30 people playing.

For people who no longer feel they can cope with outdoor play, or don't want to play outdoors, it offers the perfect opportunity to keep active. The sessions are run by Reg Harris and Maureen March. By playing with different people most weeks you soon get to know the group. It's very friendly.

In addition there is also an afternoon session that operates on a Wednesday between 4-6pm (Please note payment for this session is by card only).

We have bowling aids for people with disabilities and these prove to be very useful.

Refreshments are available for a small charge.

If you think you might want to give it a try, come down before 10.30am on Tuesday /Thursday or 4pm Wednesday - you will be very welcome.
